*Ruritan: Working Together  
For a Stronger America*

## Ruritan - Working Together For A Stronger America

Thank you for your confidence by electing me as your national president. It is an honor to work with you in Ruritan, America's leading community service organization. Each one of you works to make our communities and our country a better place to live. Thank you for your service. I would especially like to thank 2011 President Jayson and First Lady Gail for their leadership and dedication. Throughout this past year they

have demonstrated that Team Work Makes the Dream Work. I would like to continue Jayson's growth program by asking each club to keep the members they have and to add at least one new member in 2012. This is also the plan our Growth and Development Committee is promoting with the 1+1=1105.

In his book, Past National President Wayne Bettis tells the story of Jack, who receives a call from his mother. She was calling to tell him that her neighbor Mr. Johnson had died. During the conversation he thought back on the influence Mr. Johnson had been in his life. When his father died, Mr. Johnson was there for him – always taking time to listen and give guidance. His influence had made Jack the successful businessman he was today. "I'll catch a flight and be home for the funeral," Jack told his mother. After the funeral, Jack and his mother stopped by to see Mr. Johnson's old

home. It was just as Jack had remembered it except for one thing. Mr. Johnson kept a locked gold box on top of his desk. Jack remembered asking him many times what was in that box. Mr. Johnson would reply, "The thing I value most." Now Jack would never know. Someone must have taken it.

Jack flew back home. Several weeks later he received a notice that he had a package requiring his signature at the post office. He opened the package to find a note. The note said, "Upon my death, please forward this box and its contents to Jack Wilson." A small key was attached to the note. With shaking hand, Jack opened the box. There he found a beautiful gold pocket watch engraved with these words: "Jack, thanks for your time!"

Each day we are given 24 hours, 1440 minutes. Much of that time is spent in work and with family. What's important is how we use our extra time! As Ruritans, we give our time to serve others. We, as volunteers, are the heart and hands of our communities. As we begin 2012, our country is still in an economic downturn. Our communities need our service more than ever. I'm asking you to use your time to help with some troubling issues that we as Americans are facing.

One issue is health care needs. The American Red Cross reports there is a critical shortage of blood. Every minute of every day someone needs blood. Efforts of Ruritan clubs, zones, and districts are making a difference as you sponsor blood drives. Can we do more? Let's make 2012 a year of giving. All it takes is a call to your local Red Cross. Call soon so you can participate in a summer of giving. There is no cost to sponsor a blood drive. It takes our time.

Another health care concern is that nearly one-in-four working-age adults are uninsured. That's about 49 million. If your community has a free clinic, consider volunteering. Consider working with the Missions of Mercy or MOM Program to bring free dental care to your community. Dentists throughout the country volunteer for this program. The Abingdon Club in the Chesapeake District has brought this program to their community. **It's time** we as Ruritans support the troubling health issues facing the communities in America. **Together we can** give hope to others and rally around a cause.

In addition to the health care crisis, we are facing the issue of hunger. It is reported that nearly 17 million children or one out of four children are at risk of not getting enough to eat. It doesn't have to be that way. Those of us in this room are fortunate enough to provide for our families. Imagine what it must be like, that feeling of failure and depression, if you are not able to afford to put food in front of your children. **It's time** we get more involved. Work with the food bank in your communities, start a backpack food program, or give a donation to the Hunters for the Hungry. **Together we can** help those in need and change lives.

## Message from Executive Director Michael Chrisley

# We are Looking Forward to a Great Year for Ruritan

We have just completed the National Convention in Raleigh, North Carolina. You might remember my magazine piece from late last year informing you that we had made changes to the convention format based on input we received from you in the convention surveys. Based on the feedback we are getting from the convention evaluations, you liked the changes! We are already busy planning for Northern Kentucky in January 2013. A few people have voiced concern that Northern Kentucky is a long distance from the center of the Ruritan population. From Dublin...Northern Kentucky is about 1 hour closer than Louisville KY. We have had some of our best attended conventions in Louisville...and Northern Kentucky is actually closer. We also have very attractive room rates in NK. Since 1985 our hotel room rates have been between \$50 and \$100 with only two exceptions that exceeded \$100. This will hold true for our room rates in NK at the Marriott and Embassy Suites. We hope you will begin planning now for the 2013 convention in Northern Kentucky!

The newly elected officers and directors are already busy getting the year off to a productive start. There are a lot of good things coming down the pike for clubs and members this year! We are working to enhance the incentive programs, give you better tools for growing your clubs, and tools to help you serve your community. There is a lot of excitement and enthusiasm on the board and staff level. We are looking forward to a great year for Ruritan!

The Growth and Development Committee has already met (in February) and will bring their three-year growth plan to the board of directors at the end of March for approval. The committee has a good plan that, with your cooperation, can grow Ruritan over the next three years. One of the things that the committee always looks at is the annual "cleansing of the rolls." We seem to always see a cleansing in the month of January and sometimes into February. While we all understand that if a member is not going to continue we don't want to artificially inflate our rolls; however, we also don't want to drop members that might stay if given an alternative. One alternative is our associate membership. Associate members are not required to attend meetings, but can attend, can help with fundraising and service projects and are not counted with regard to awards programs. In other words, they can stay connected to Ruritan without attending meetings but wouldn't prevent the club from receiving a Blue Ribbon award. When we drop a member, in a sense, it means we have given up on that member. Don't give up on a member; make an offer of associate membership.

We hope your club has a great year. Your community needs you. Several pages of this and every magazine are dedicated to the work that you are doing in communities. Look through the club news pages and understand that without Ruritan in over a thousand communities, many needs would go unmet. What happens at the local level of Ruritan is the most important thing that happens in Ruritan. If we can help you...let us know.

Yours in Ruritan Service,

Michael Chrisley

“You Raise Me Up” is a song written and sung by Josh Groban that expresses what we as Ruritans do for those in need. The words say “I am strong, when I am on your shoulders; You raise me up to more than I can be.” Ruritans must have strong shoulders for we carry the weight of those in need in the communities across America.

As Ruritans, we have a great story to tell. Will you help tell Ruritan’s story? We are America’s leading service organization. We work and serve the communities in America. America was built on courage, imagination, and an unbeatable determination. Since our founding in 1928 at Holland, Virginia, Ruritans have demonstrated this courage, imagination, and determination. Share your successes, your projects. Let’s see our Ruritan website continually changing as you send in photos and descriptions of club projects. Let’s have a celebration of service in 2012! Watch for more information about celebrating Ruritan service in our Ruritan magazine.

I recently saw a slogan on a moving van that said, “We Go Through – We Are American.” When we as Americans and Ruritans work together, we learn from each other, support one another, and accomplish more. At your tables, you have a 1+1=1105 button to remind us of our growth efforts and a lapel pin with the American Flag and the Ruritan Flag. Wear it proudly and remember that as Ruritans **we are working together for a stronger America.**

If I can do anything to help you, your club, your zone, or district such as helping you celebrate an anniversary or special event, please let me know. Bill and I will be there if possible. I appreciate each and every one of you and respect the work you do for Ruritan. May God bless you and our great organization.

Thank you.

# Growth - Development - Member Retention

Everything one does requires forethought and planning, whether it's a trip to the grocery store or planning a wonderful vacation trip. We as Ruritans need to plan. We need to plan for the future – our future. There are many ways to plan for the future and many things to consider but we want everyone to keep growth in their own plans for the future. The following items deal with membership growth and membership retention. Please read them. They are a guide, a goal, a means to achieve. If anyone has other plans or ideas that will help Ruritan to grow, please share them with your Growth, Development, and Membership Retention Committee. Many thanks for all you do for your communities and for Ruritan.

## Membership Growth –

1. Continue stressing program “1+1= 1105” to the membership. If each club would realize a net gain of plus one member each year, Ruritan will grow by 1105 members each year.
2. Continue stressing the addition of Associate Members to clubs to save members who cannot fulfill duties of full adult membership.
3. Achieve minimum net increase of 15 new clubs in existing areas each year.
4. Bring 50% of clubs which are under charter strength up to charter strength within one year as measured by MMS. Identify clubs through zone/district governors and offer help to club(s) to grow themselves.
5. Incorporate better utilization of modern technology to spread word of Ruritan. Achieve 50% increase in number of clubs utilizing social media outlets such as Face Book, Twitter, and Web sites.
6. Have a written Growth, Development, and Retention Plan that includes assisting districts and clubs with development of a plan.
7. Review all dropped members by each club and invite those persons to return to Ruritan Club.

## Membership Retention -

8. Stress membership growth/retention at Winter and Summer Zone meetings where club members are in attendance as well as joint cabinet meetings held by districts with club attendance.
  9. Achieve 100% mentoring of all new members at club level to improve communication and help bring new member into Ruritan family more quickly. Incorporate mentoring at district level to help struggling clubs. Avoid scenario of” The member who never came back.”
  10. Make growth, development, and retention everyone’s goal. All Ruritan’s must realize the importance of growing the organization. It requires full membership involvement.
- Submitted by the Growth, Development, and Member Retention Committee  
Don Yeargon, Chuck Myers, and John Berdine.

# Plan to Attend the 2012 Summer Leadership Conference “Just Put Your Boots On And Do It!”

All 2012 Ruritan district lieutenant governors should plan to attend the 2012 Summer Leadership Conference in Dublin, VA at New River Community College the fourth weekend in June. All members of the district cabinet and Ruritan leaders in other levels of leadership are invited and encouraged to attend this conference for a nominal fee. Classes will be tailored to the needs of registered attendees but there will be classes to benefit all no matter what the position. The conference gives Ruritan leaders the opportunity to learn more about their responsibilities, share ideas, express concerns, and plan for the future of the organization. It also provides an opportunity for leaders to learn about responsibilities of a higher position and encouragement for them to move up in their leadership roles.

Together we can be the reason Ruritan seizes revitalization. Just put your boots on and do it!

Information on the conference content and cost will be sent to district governors and lt. governors later this spring. The conference brings Ruritan leaders together to discuss concerns and plan for the future of the organization. Attendees will also learn the latest information about Ruritan programs and procedures. 2012 district governors

are also invited to attend this training with the stipulation that expenses will

be reimbursed for the lodging cost of one person and one travel per district, plus food. Allowances will

be made for distance and gender-related exceptions. District officers should also note that 2012 district lieutenant governors (according to policy, only if you become the incoming district governor for 2013) and the 2012 district governors will be paid ½ of their expenses to the 2013 National Convention in Covington, KY provided the following criteria is met:

- \* They attend the June 2012 Summer Leadership Conference (unless excused in writing by National President);
- \* They attend Governors' Training at the 2013 National Convention;
- \* They attend substantially all meetings at the 2013 National Convention;
- \* Forms R-35 and R-36 are received by Ruritan National no later than October 31, 2012, and
- \* Expense vouchers are submitted within 90 days after the 2013 Convention.

Lodging rooms will be blocked for this conference at the Dublin area hotels. Watch for additional information on this, as well. The pictures on the right were taken during the 2011 Summer Leadership Conference.

# Send Youth Ages 9-19 to the 2012 Camp

The 2012 Ruritan Youth Camp dates have been set for July 13-15. Once again the event will be held at the W. E. Skelton 4-H Educational Center at Smith Mountain Lake in the Blue Ridge Mountains of Virginia. Please start planning to send as many young people as possible to this year's conference.

Attendees do not have to be Ruritans or Ruri-Teens to attend. The camp fee will be \$135. Registration forms are available below and on the Ruritan website.

This could be a good recruiting tool to introduce young people to Ruritan. Several young people became interested in Ruritan after attending last year's conference.

The camp can only house 300 youth along with their adult counselors, so get your young people signed up early. The camp is for students ages 9-19 and they (or their sponsors) must provide transportation. To learn more about the center, check out their web site at <http://www.skelton4h.ext.vt.edu>.

E-mail him at [service@ruritan.org](mailto:service@ruritan.org) or call toll free 1-877-787-8727, extension #312 **to request the forms that are required by the statewide 4-H policy for the adults (counselors or guests) or youth who want to register.** Forms required are:

(1) Registration Form from Ruritan National (above), the letter of instruction, and all the required forms as listed in the following numbers 2 to 5 must be completed and returned to the Ruritan National Office by **June 21** by each attendee (adult or youth).

(2) Health History Forms which includes medications, health and medical history, (all required for adults or youth) and the 4-H participant media release (parent or guardian signs for all youth).

(3) Equine waiver will need to be completed by anyone wishing to ride a horse – **no exceptions**. The form must be signed by parent or guardian for the youth attendee, and the adults attending the conference must also sign this form if they wish to ride a horse.

(4) The Virginia 4-H Standardized Code of Conduct for 4-H Programs/Events must be signed by two individuals (the youth attendee and the parent/guardian).

(5) The Standards of Behavior Policy for Virginia 4-H Volunteers must be signed by adults only (all adults attending the conference whether a guest or a counselor). All adults attending the conference must complete on-line training. Information to access the training will be provided if requested.

# Two Events to be Held at the Medal of Honor Grove

There have been many changes over the past year in the Medal of Honor Grove located in Valley Forge, PA at the Freedoms Foundation. The most important was the rededication of it in June. This event transferred the care and upkeep to the Friends of the Medal of Honor Grove. This group has contracted several people for the care of the Grove including landscapers and tree trimmers. The first project is the major repair of the road and entrance to the Grove. In addition repair and replacement is planned for the steel markers, obelisk pads, fences, flagpoles, and more.

In addition to the work on the Medal of Honor Grove, Freedoms Foundation has two events that may include Ruritans. The first event, The Military Order of the World Wars Youth Summit, will be taking place on April

19-22, 2012. The second event is the Scouting Medal of Honor Adventure Weekend to be held May 18-20, 2012. This event has been opened up to include Ruri-Teens and Ruritan youth. The registration fee is \$220; however, if Ruritans can get 40 Scouts to commit and register by March 1, 2012, the fee will be dropped to \$175 each.

For more information on both of these programs and to help with the Ruritan work days at the Grove on May 18 and 19, contact Larry Blount at (717) 253-1583.

## New Ruritan National Partner Announced at Convention

Ruritan National has recently partnered with Debra Mitchum, a Longaberger consultant and Longaberger product collector for 30 years. In 2011, Mitchum developed the idea of doing something special for Ruritan National Clubs across America. The Longaberger Company is an American manufacturer of handcrafted maple wood baskets and offers other home and lifestyle products, including pottery, wrought iron, fabric accessories, and specialty foods.

All Ruritan National baskets will have the Ruritan National logo burned into each lid and will be sold as sets. The baskets will have the blue and yellow colors running around the splints of each basket. Accessories such as the pottery and coolers will be offered as well. Ruritan National will receive five percent of all sales

quarterly. "I feel blessed to be the only consultant who can represent Ruritan National. I will represent you proudly as I visit clubs and present these wonderful products. Please consider how your family could honor Ruritan National by having one of these baskets to carry proudly to events, and to hand down generation after generation," said Mitchum. She is pictured here with some of her baskets at the 2012 Ruritan National Convention where the line was introduced. For more information and pricing on these baskets, contact Debra Mitchum 757-580-7248 or email her at [Nanabskts3@aol.com](mailto:Nanabskts3@aol.com)

# Outstanding Members Recognized During Convention

At the Ruritan National Convention held from January 19 – 22, 2012 in Raleigh, Betty Jo Clemmer was named National Ruritan of the Year. Clemmer is from the **Middlebrook** (VA) Ruritan Club where she served as president in 2011. She is a former Woodrow Wilson district governor. During 2011 she attended meetings on the club, zone, district, and national level. She served on her club's citizenship and patriotism committee and was responsible for bringing in ten new members. She completed 15 club projects donating 884 hours during the year.

Also honored were Ruri-Teen of the Year, Rachel Leweke of the Turner Ashby (VA) Ruri-Teen Club (pictured below) and Rudy Youth of the Year Kyle Kilgore of the Copper Creek (VA) Ruritan Club. Leweke served as her club president and completed 12 projects for 260 hours. Kilgore, who was not present at the convention in Raleigh, spent 300 hours completing 20 projects. He is a club director in his club.

Another highlight of the convention was the many donations made by Ruritan to various area charities. The USO of NC was the recipient of over \$4,000 in gift cards, \$3,157 in Smiles for Miles cards, and cash donations of over \$800 for their work. Smiles Over Miles is an easy-to-use, private video messaging platform that brings loved ones close together across any distance.

Also given to the USO were handmade greeting cards for servicemen and servicewomen to use to send special messages home to loved ones.

Attendees designed these cards in workshops on Friday.

In addition to the USO donations, hundreds of Rudy Bears were given to local fire, rescue, and police departments. Peter J. Brock, Assistant Chief - Fire Marshal for the City of Raleigh Fire Department, asked the Ruritans assembled to think about the words comfort and distress. He noted, "Some children hide in a special place such as under a bed or in a closet. Some children clutch something or someone such as a parent, a blanket, or a favorite stuffed animal. In my 27 years of experience

*continued from page 11*

I have seen children in various degrees of distress. I have also seen a police officer, paramedic, or fire fighter produce a stuffed bear and the anxiety level in these children is instantly reduced. On behalf of the men and women of the Raleigh Fire Department, on behalf of the people who live, work, visit, and play in our great city, but most of all, on behalf of the children who will be comforted because of what the Ruritans have done: thank you!"

*Local college ROTC members carried state flags during the flag ceremony in Raleigh. Here 2012 Bluegrass District Governor Bryan Franklin accompanies the soldier carrying the Kentucky flag.*

Ruritans also created almost 2,000 hand crocheted and hand-knitted "chemo caps" for hospitals and clinics in the Raleigh area.

During the opening ceremonies on Thursday the attendees participated in a memorial service and a flag ceremony and heard a message from Captain Tierian (Randy) Cash, who is a retired Navy Chaplain.

The first two hours on Friday consisted of various workshops. A Heroes' Breakfast began at 9:00 a.m. This patriotic meal featured the donation of the items to area charities as well as a message from Major General James Everett Livingston, who is retired from the United States Marine Corps. He was awarded the United States' highest military decoration - the Medal of Honor - for heroic action in 1968 during the Vietnam War. The remainder of Friday, dubbed Education Day, included

more workshops - over 50 in all. The Ruritan National Foundation Banquet featured former scholarship recipient David Keeler as a keynote speaker and was presided over by 1987 National President and 2007 Foundation President Bob Houck. The live auction followed the meal.

Saturday morning began with a break-

fast honoring First Lady Gail Duncan presided over by 1988 First Lady Jeannette Overby. This was a fun-filled morning capped by Bessie and Beulah, who have been delighting audiences all over the country with their cutting-edge comedy shows.

Following the breakfast, the first of two business meetings began at 10:00 a.m. After initial opening of the first business meet-

*1983 First Lady Martha Amick, pictured here with 2011 National President Jayson Duncan, first suggested a program to have Ruritans knit or crochet "chemo caps." The program was popular with members and almost 2,000 caps were given out.*

ing, which included adopting the official program, Credential's Chair Debi Davis reported as follows: pre-registered 699, walk-ins 82, cancellations 18, no shows 2, total registered 761, and certified delegates 557.

The Candidates Certification Committee presented a list of candidates for trustee, national director, treasurer, vice president, and president. There were no nominations from the floor. Candidates were given the opportunity to present two-minute speeches. President Jayson presided over discussions related to: (1) increasing dues from \$40 per year to \$44 per year; (2) eliminating the requirement to hold the annual convention in January each year and allow the board to determine the date of the convention; and (3) increasing the number of delegates at National Convention for

each club from one per 20 members to one per 10 members. All three recommendations passed during voting held between the two business sessions.

The following candidates were elected for the respective offices: President Phyllis Lewter (VA), Vice President Dennie Clemmer (VA), Treasurer

## 2011 National President Jayson Duncan Receives Award

Ruritan was welcomed to Raleigh by North Carolina Lt. Governor Walter Dalton (right) who was made an Associate Ruritan member by 2011 National President Jayson Duncan. While Dalton was speaking to Ruritan attendees he recognized President Jayson to the *Order of the Longleaf Pine*. The Order is among the most prestigious awards presented by the Governor of North Carolina. The *Order of the Long Leaf Pine* is presented to individuals who have a proven record of extraordinary service to the state. Contributions to their communities, extra effort in their careers, and many years of service to their organizations are some of the guidelines by which recipients are selected for this award.

### 'Nourish Your Community' Food Drive Set for Founders' Weekend May 19

Ruritan would like to encourage all clubs to participate in an organization-wide day of service on May 19, 2012, by conducting a food drive for your local food bank. In Ruritan food drives last year over 120 clubs in 43 districts and areas collected nearly 35,000 pounds of food and \$5,000 for area food banks – that was over 17 tons of food that Ruritans were responsible for collecting in 2011! The date of the food drive is May 19 and is built around the date Ruritan was formed. Clubs may set up a collection point for food delivery, have members available to receive the food, and to publicize this event to your members and local community. Your club decides which local food bank gets the collected food. Ruritan National would like to keep a master list of clubs planning to participate in 2012. If your club is interested, please e-mail [office@ruritan.org](mailto:office@ruritan.org) or call toll free 877-787-8727 ext 301 to be added to the list.

# Attractions in Northern Kentucky for Ruritans Visiting in January 2013

Ruritans visiting Northern KY in January 2013 will find a wealth of culturally, educationally, and socially significant attractions - and some that are just plain fun!

**Cincinnati Zoo & Botanical Garden:** Voted the #1 attraction in Cincinnati and one of the top zoos in the nation by Zagat Survey. Award-winning animal habitats and spectacular garden and plant displays featuring over 500 animals and 3,000 plant species. Numerous special animal exhibits including Giraffe Ridge, Manatee Springs, Nocturnal House, Jungle Trails, Gorilla World, Tiger Canyon, Wolf Woods, World of the Insect, Spaulding Children's Zoo, and much more.

**National Underground Railroad Freedom Center:** Exhibits, programs, research and interactive experiences promoting collaborative learning and dialogue bring to life the importance - and relevance - of struggles for freedom around the world and throughout history, including today.

**Center for Holocaust & Humanity Education:** Dedicated to worldwide curriculum development, teacher training and innovative educational programs, the Center promotes tolerance, inclusion, and social justice based on lessons from the Holocaust. Their collection includes hundreds of artifacts from the Hillel Judaica Collection and a permanent exhibition, "Mapping Our Tears" which contains WWII and Holocaust artifacts and an interactive theatre of testimonies.

**Cincinnati Reds Hall of Fame & Museum:** Changing exhibits, player appearances, interactive exhibits, hall of records, memorabilia and artifacts, salute to Reds radio, videos, and much more tell about the history of the Cincinnati Reds. Hours and dates of operation vary. See website for off-season, in-season, and game-day schedules. Group rates for 15+.

## Ruritan Foundation Needs Your Support

Dear Fellow Ruritans,

2011 was another successful year for your Foundation. President Bruce Thompson provided great leadership and his dedicated team of Trustees were focused and vigilant in discharging their responsibilities. It is also important that recognition be given to

*Cleve Wright*  
2012 Foundation  
President

Mike Chrisley and his staff for the tremendous support that they provided. The body of work and related accomplishments were a direct result of excellent cooperation and team work. We are extremely grateful for their efforts this past year and look forward to another productive relationship during the coming year.

We enjoyed another fun and exciting Ruritan National Convention in Raleigh, N.C. Many thanks go out to Gary Taylor and Jimmy Bristow for another exceptional effort of planning and organizing our annual convention. This year's convention delegates elected Fred Payne from South Carolina as our newest Trustee to serve for the next five years. Also during this year's convention, the Foundation received \$8,503.50 from the silent and live auctions, \$1,836.14 from special donations, and \$1,419.50

for the Operation We Care program for a total received by the Foundation of \$11,759.14. Our sincere thanks go to those members and friends who brought items for both auctions and special thanks to those who made purchases. Our acknowledgment and gratitude are extended to Chris Pugh, Tina Lawson, and the Home Office staff for their efforts in developing a new computer program for us to use for this year's auctions. While it is still a work-in-process, it was a great addition and enhanced our ability to efficiently manage the auctions. Finally, and surely not least, thanks go out to the many other Ruritans and friends who spent their precious time volunteering and assisting us with the auctions. Thanks to everyone for contributing to our success in 2011!

The Foundation has 405 clubs who are now qualified to participate in the 2012 Build Your Dollar scholarship program. In early February 2012, each of these clubs received a packet of student application forms to be completed and returned to the Foundation Office by April 1, 2012. The Trustees will be meeting this April to review and award all 2012 scholarships being granted.

For those clubs desiring to participate in the 2013 Build Your Dollar scholarship program now is the time to start sending in your \$300 qualifying deposits to the Foundation Office. These funds along with a statement indicating the purpose of your check must be received by October 1, 2012.

During our fiscal year which ended September 30, 2011, the Foundation received \$215,021.35 in donations (OWC donations accounted for \$94,169.90 of this total) which is a 55% increase from the previous year. In addition, it should be noted that our newest fund raising program, "\$\$\$Million Dollar Club\$\$\$" or "Brother/Sister Can You Spare Me A Dime?" has now contributed over \$45,000. We are looking forward to additional participants joining in on this program. This is an easy way to get started in making an annual contribution to the Foundation. It is our goal to get more and more Ruritans consistently involved in supporting and contributing to the Foundation on an annual basis. If we could get still 25% of all Ruritans contributing just \$100 per year, we would bring in an additional \$750,000 towards our corpus annually and be able to double our corpus in just five years. This is a challenge but, also a very reasonable goal. Only through your continuous support will we be able to reach out and provide educational assistance to the many students who desperately need our help. Please complete and forward the coupon found on the next page with your

"Dime A Day" donations.

Your Operation We Care program received donations during 2010-2011 fiscal year, along with earned income, totaling \$94,910.46. While requests for disaster assistance totaled \$144,566.25 which were made in the Roanoke, New River, Davy Crockett, Tennessean, and Georgia-North Alabama Districts. As you can see needs and assistance exceeded donations and earnings last year. OWC funds have been depleted

and need to be restored. Currently, as of December 31, 2011, OWC has a fund balance of \$42,570.58. All Ruritan clubs are encouraged to include the OWC in their annual budgets.

As you have hopefully heard by now, the Foundation will be taking a Bahamas Cruise this September in lieu of our traditional Foundation Weekend. This will be a 5 night cruise departing Charleston, S.C. on September 10, 2012, and returning September 15, 2012. Details and cabin pricing were included in the winter 2011 edition of our Ruritan Magazine

and can also be obtained from our Ruritan.org website. The \$250 deposit deadline is set for February 15<sup>th</sup>. This cruise is open to our entire Ruritan family as well as our non-Ruritan friends and neighbors. We hope to have a great turnout for what is certain to be fun and exciting event.

Finally, we want to remind all Ruritans that you are also valued members of the Foundation. We need your support and involvement to be successful in achieving our goals. We ask each of you to kindly consider an annual contribution to the Foundation and also including the Foundation Scholarship Program and OWC Program in your club's 2012 budget. Many and sincere thanks to those that have faithfully supported the Ruritan National Foundation in the past and all of those that will in the future. Remember all personal donations

are tax deductible under our 501(c)(3) designation by the IRS.

## Ruritan Point System “Pays” for Ruritan Forever

Tennessean District Governor Armetta Hunnigan has been able to “purchase” a Ruritan Forever for herself with the points she has earned recruiting new Ruritan members. She is pictured here with 2011 National President Jayson Duncan at the national convention in Raleigh as she is congratulated for 23 new members in 2011. The point system, introduced in 2011, is similar to the popular frequent shopper points systems at retail stores and has been approved by the Ruritan National Board of Directors. Armetta had 500 points which entitled her to a \$500 gift certificate in Ruritan supply or a Ruritan Forever. The program is retroactive to January 1, 2011, and you will find a form to redeem your points (as well as a complete outline of the point system and prizes) on the Ruritan National website under Member Resources and the Growth icon or by contacting the national office staff at 877-787-8727 or [office@ruritan.org](mailto:office@ruritan.org).

## Copper Basin Ruri-Teens Serve Their Community

**Copper Basin** (TN) Ruri-Teen Club has worked tirelessly since its charter in October 2011. During November the club sponsored a successful canned food drive and collected 2,259 food items. Collected items were divided between the Copper Basin Crisis Center and the Copper Basin High Backpacks of Food Closet. A Thanksgiving Feast was provided for four needy families. Also in November, the club organized a Teacher Appreciation Day and provided teachers with relaxing massages from Jackie of Ocoee Integrated Medicine. In December the club delivered a

handmade Christmas ornament and card to each of the 96 residents at Life Care of Ducktown. In addition to putting smiles on the resident's faces, the club was awarded the distinction of Best School Club Participation in their school's Christmas Ornament Contest. Also, the club raised enough money during a bake sale to provide "Christmas Wishes" Santa gifts for seven students.

# Ruritan Forever

## A Perpetual Life Plan

*Protecting and preserving Ruritan as a legacy for future generations.*

"Ruritan Forever" is a plan for the payment of national dues by members who wish to make a long term investment in Ruritan. The "Ruritan Forever" plan allows a member in good standing to pay \$600 and become a life-time participant of the National Organization. Ruritan National will invest these pre-payments in a special managed fund, transferring the dues quarterly to the business office of Ruritan National. Even after the life participant dies, dues will be transferred quarterly to Ruritan National, thus offering a perpetual memorial to the organization on behalf of the deceased Ruritan.

A "Ruritan Forever" endowment may be purchased by a member in good standing, or may be purchased for a member in good standing. A Ruritan Forever endowment may be purchased to honor a non-member provided they are brought into a club as an Associate Member at the same time. In this case the Associate Member's dues would be covered by the \$600 endowment.

The lifetime endowment may also be purchased

in memory of an already deceased Ruritan, ensuring an ongoing contribution to the operation of Ruritan in his or her name. Dues for a living participant must be current through the previous quarter to participate. The Plan Manager, at Ruritan National, will administer these prepaid dues in a separate fund with the original amount remaining in perpetuity. Interest on the fund will provide the money paid to Ruritan National for dues. A "Ruritan Forever" Committee will oversee the fund.

Upon payment of the fee, the Ruritan will receive a certificate, a permanent life participant card and a pin. For endowments purchased for a deceased member a special plaque will be provided for the club to present to the deceased member's family. National dues increases will have no effect on participants enrolled in the plan, although the purchase price of \$600 for new enrollees may be adjusted over the years as necessary. There will be no special assessments or charges made to Ruritan Forever participants.

**Please detach or photocopy this portion if you would like to participate in this endowment plan to secure the future of Ruritan, in your name or in the name of a fellow Ruritan.**
