## 2021 National President Linward Hedgpeth

### After the Storm

The Ruritan National Organization is excited about the rebirth of the nation after the pandemic storm. Club members are energized, and new members are joining or rejoining the organization from across the nation.

Every day in Ruritans lives, we attempt to create a tomorrow that is better than today. By doing so, it creates a sense of motivation for the present and future generations.

We have made progress as we drew from our 93 years of experience in community service, to preserve and make a difference in our local communities. This is because we are committed to the mission created by our Ruritan forefathers, which has been a phenomenal success.

In the year 2020 although the entire nation was forced to change, we are still committed to the mission of our forefathers. But we must adapt wisely and take advantage of the changes that are before us. We have a responsibility as Ruritans to ensure the best possible future for new generations.

#### Summer Leadership Conference

On August 14, 2021, in Roanoke, VA. the National Leadership and Development Committee put together a fantastic Summer Leadership Conference. The program was exciting, well attended, and consisted of great training information for future Ruritan leaders.

#### National Board of Directors

The Board assembled on August 13th to address changes needed in our policies and bylaws that were influenced by the consequences of the 2020 pandemic.

The National Board also selected Deputy Director Sarah Kelly to replace Michael Chrisley as the new Ruritan National Executive Director. Sarah comes to us with a wealth of knowledge and a genuine deep love for Ruritan.

#### Retirement Celebration for Michael Chrisley

Michael Chrisley will be retiring from this post in March 2022. Michael has served as National Executive Director with integrity and accountability for nearly 16 years and has been employed with Ruritan National for over 40 years. His loyal and faithful contributions to Ruritan National will be greatly missed. Michael will continue to serve Ruritan in his local Ruritan club. National Treasurer David Thompson and I will be hosting a RETIREMENT CELEBRATION at the National Convention. I have asked David to head it up and he has assembled a committee to assist with the planning of the event.

Please plan to join me after the opening ceremonies on Thursday evening to celebrate Mike! You can drop by for refreshments and light hor d'oeuvres and help us THANK Mike for his selfless service to Ruritan.

Monetary donations from districts, clubs, or individuals, are welcome to offset the cost of the celebration and are greatly appreciated. Donations can be sent through VENMO, PAYPAL, or CHECK at the following:

## 2021 National President Linward Hedgspeth

Mike, we truly appreciate your dedication and your commitment to this organization for nearly a half century and for all you have done for Ruritan!!!

Ruritans are needed in this nation to fill in the gaps for those who are in need in our communities. If we are going to invest, let's invest in our communities. It's our mission, it's who we are.

Reach out to those that are not yet a member of the Ruritan Organization and are community-minded. Invite them to visit your club or Ruritan event. Everyone in our local communities should have the opportunity to serve.

We can do anything if we don't have to do it alone.

New members can energize Ruritan club members. A new member brings new ideas and excitement. It is important to take advantage of the new energy right away. New members should be mentored, listened to, and allowed to express their ideas. You may find your own passion is rekindled; everybody wins when Working Together.

### **There are Ruritans among us that are sick.**

Mark 11:24 Therefore I tell you, whatsoever you ask in prayer, believe that you have received it, and it will be yours. For those that have lost loved ones. John 14:26 the Holy Spirit also comforts us. Interceding - praying for us when we don't know what to say. Let us continue to intercede for one another.

First Lady Anne and I have had a unique experience along with all of you. After the shutdown of the nation in 2020, there were no clear directions, no one had experienced such a devastating setback which continued into 2021.

We witnessed first-hand the resolve of the greatest community service organization in the nation, Ruritan. We discovered new means of communicating, by managing the business and getting the word out to members. Club members were creative in finding ways to serve their communities, helping the sick and lonely, and supporting first responders. Clubs developed new ways of holding fundraisers and doing it in a safe environment.

Anne and I so appreciate the opportunity to serve as your President and First Lady for 2020 and 2021. Although travel has been limited, we cherish the opportunity to meet and fellowship with wonderful new people and acquaint with old friends as we traveled.

Our lives have changed enormously, having had an opportunity to work and grow with each of you.

*Let's continue to focus our energy  
not on fighting the old, but on  
building the new, and  
**SOARING LIKE AN EAGLE.***

*Linward Hedgspeth  
2020-2021 Ruritan National President*

## Executive Director Mike Chrisley

### I am Encouraged by the Renewed Energy in Ruritan.

The last 18 months have been difficult. Now I am starting to see new life. Our clubs are busy serving communities, holding fundraisers and meeting on a regular basis. It is so nice to see life coming back to something that resembles normal. I am hoping and praying for a mild flu season and that there is not a resurgence of the pandemic this fall.

We were able to hold an in-person board meeting in August as well as an exciting Summer Leadership Conference. We had to delay holding the summer conference until August because there were no venues available earlier due to the pandemic. The schedule for almost everything else has been pushed forward. For that reason, we have combined the fall issue of Ruritan magazine with the winter issue. This magazine has information about the convention and dozens of additional pages of club news and information. We hope you enjoy it.

On a personal note, I just lost a great friend to the COVID-19 pandemic. So did Ruritan. Carroll Lowe passed away at the end of September. Carroll was a sitting board member. He had served on the board for three separate terms and was in his tenth year of service at the national level. During his tenure he made significant contribution to setting policy that will serve Ruritan members well into the future. In addition to his board service, he designed and implemented the Member Management System that the entire organization uses. He also is responsible for designing and installing the server system and network at the national office. He spent countless hours managing our network, servers, and camera system at the office. He was responsible for the maintenance of our PCs, automated and worked to make sure our elections at National Conventions were smooth and had integrity. We would have spent tens of thousands if not hundreds of thousands of dollars paying for the services that Carroll has provided for free over the last 15 years. He deserves our gratitude. He will be sorely missed not just for what he did, but for the kind, caring person that he was. Thank you, Carroll.

Planning for the convention is underway and we believe we have a great show in store for you. As always, we will be conducting the business of Ruritan. There are several bylaws changes that are outlined on pages 22-25. Candidates are on pages 16-21. Please come to convention and help us set the stage for the future of Ruritan.

We have top notch entertainment and speakers, a great facility and good food and fellowship waiting for you in Myrtle Beach. It's been a while. Come celebrate what we have accomplished in 2020 and 2021 and get excited for what we will accomplish in 2022.

**Ruritan National will be collecting Rudy Bears at the Rudy Bear Drop in Myrtle Beach for Caleb's Dragonfly DREAMS.**

**CALEB'S  
DRAGONFLY  
DREAMS**

**Let's bring SMILES to children in Myrtle Beach.**

*Caleb's Dragonfly DREAMS is a 501(c)(3) Non-Profit Organization that provides positive events and activities to abandoned, abused and neglected children that reside in shelters and group homes. Caleb's Dragonfly Dreams provides lots of activities to these wonderful children, too many to list but some examples are tie dye shirts, trips to the water park in the summer, jewelry making, pizza & movie night, Birthday presents, and when they have the budget an awesome winter trip to go snow tubing in North Carolina and hiking to water falls. These activities are just a mere stepping stone to get to know the children and form a bond that last long after they are displaced from the group home.*

*The residential facilities (not allowed to say orphanages anymore) have limited funding by the government. The funding barely covers clothing, food, and staffing. So extra activities are out of the question. This organization helps bridge the gap and make certain that these children have the opportunity to just be a normal kid.*

*This organization understands that these activities cannot take away the hurt these children have endured, but they feel that exposure to new experiences can positively affect a child's self-esteem and development. By just going to a football game and cheering them on from the sidelines or just giving a little girl a balloon for her birthday - YOU CAN HELP SHAPE A LIFE.*

# Landau Eugene Murphy Jr. Joins us in Myrtle Beach!

After being forced off the road by the pandemic, Murphy put his suddenly available downtime to good use, going back to school virtually to earn his high school equivalency diploma. It was a moment of particular pride for Murphy, who holds an honorary Doctorate of Musical Arts from the University of Charleston but had dropped out of high school almost three decades prior. "I needed to set a good example for my youngest son Logan, and for everybody, that your education is really important and to never give up."

To stay in touch with his fans and friends, Landau performed a series of virtual concerts for fans around the world, capping off the year with his 10th annual "Home For The Holidays Tour", a 10 night run of Christmas concerts broadcast live from the Alban Theater to fans worldwide. Landau also helped kids across his home state of West Virginia get a little extra Christmas cheer with his first-ever "Landau's Kids Joy Toy Drive." Landau's

fans ordered toys and books online, and Landau personally delivered the toys to needy kids across the Mountain State just before Christmas.

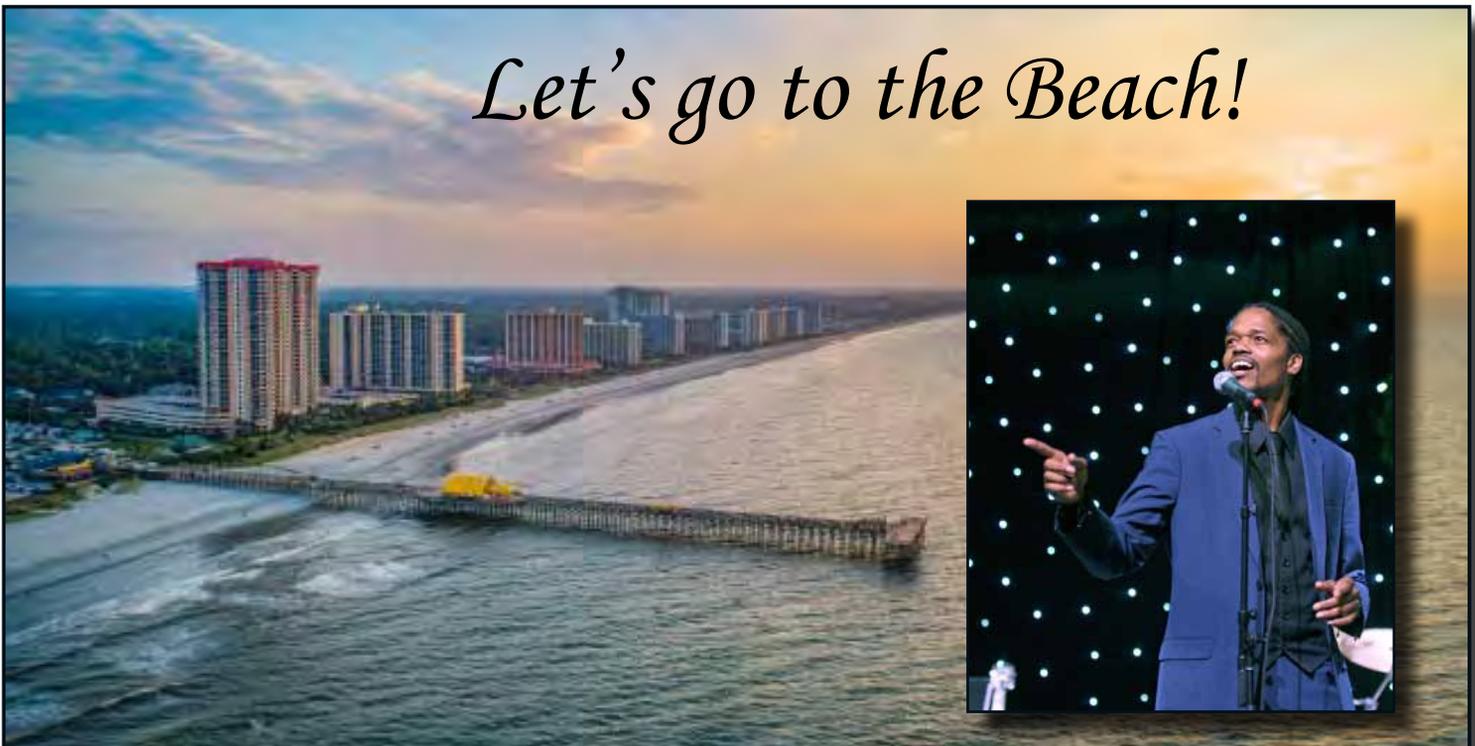

Keeping busy while not able to tour, Landau also completed remix sessions for his upcoming "Landau-Live In Las Vegas at Caesar's Palace" album. The set, recorded pre-pandemic on the famous Las Vegas strip, was due for release in 2020, but like most movie and album releases, has been pushed back to 2021.

Landau, a frequent entertainer at casino resorts in Las Vegas, Atlantic City, and across the U.S.A., was asked to be a presenter at the Casino Entertainment Awards virtual telecast. Landau appeared alongside his fellow Vegas headliners Celine Dion, Wayne Newton, Tony Orlando, and Casino Legends Award winner Lee Greenwood on the Livestream event.

Landau says he's really looking forward to performing for his Ruritan friends in Myrtle Beach in 2022, and hopes it will be safe to visit with folks after the show, take pictures, and give hugs. "I love to meet people who stick around to talk with me. Ruritans are down-to-earth, salt-of-the-earth folks who work hard, take care of their families, and give back to their communities. They're what the best of America is all about, and I am honored to perform for them again."

*Let's go to the Beach!*

# New Ruritan Forever Recipients

This spring 1995 National President Frank Guthrie realized that long-time Ruritan and 1993 Holland Governor R.M. "Bob" Felts, Jr. had not yet been made a Ruritan Forever. Guthrie reached out to a few fellow Holland Ruritans and in no time the \$600 was raised.

Along the way, Guthrie found out that two of the six folks contributing to Felts' gift were not yet Ruritans Forever themselves: 2006 Holland Governor Vernon Teall and 1999 Foundation President and National Director Robin Davenport. A few more phone calls and by mid-summer these last two in the circle of dear Ruritan friends were given the recognition of Ruritan Forever as well. Special thanks

also goes to the **Creeds** Ruritan Club for their financial assistance. Pictured around Felts (center) are the six other Ruritans Forever in this group: (clockwise from top) Past National Director Stan Turner, 2001 Holland Governor Woody Dunn, Teall, Past National Director Chuck Myers, Davenport, and Guthrie. Also pictured are Felts' plaque and a proclamation presented to him by the group.

# What is a Ruritan Forever?

“Ruritan Forever” is a plan for the payment of **national** dues by members who wish to make a long term investment in Ruritan. The “Ruritan Forever” plan allows a member in good standing to pay \$600 and become a life-time participant of the National Organization. Ruritan National will invest these pre-payments in a special managed fund, transferring the dues quarterly to the business office of Ruritan National. Even after the life participant dies, dues will be transferred quarterly to Ruritan National, thus offering a perpetual memorial to the organization on behalf of the deceased Ruritan.

A “Ruritan Forever” endowment may be purchased by a member in good standing or may be purchased for a member in good standing. A Ruritan Forever endowment may be purchased to honor a non-member provided they are brought into a club as an Associate Member at the same time. In this case the Associate Member’s dues would be covered by the \$600 endowment.

The lifetime endowment may also be purchased in memory of an already deceased Ruritan, ensuring an ongoing contribution to the operation of Ruritan in his or her name. Dues for a living participant must be current through the previous quarter to participate. Ruritan National will administer these prepaid dues in a separate fund with the original amount remaining in perpetuity. Interest on the fund will provide the money paid to Ruritan National for dues.

Upon payment of the fee, the Ruritan will receive a certificate, a lapel pin, and a permanent life participant card. For endowments purchased for a deceased member a special plaque will be provided for the club to present to the deceased member’s family. **National** dues increases will have no effect on participants enrolled in the plan, although the purchase price of \$600 for new enrollees may be adjusted over the years as necessary. There will be no special assessments or charges made to Ruritan Forever participants.

## Message From 2021 Foundation President Brent Wheeler

### Continue to Support Your Foundation

As our Ruritan year quickly is being written into history, we, the Trustees of your Foundation, continue to work to make the Foundation as efficient as possible and at the same time protect the assets that you have placed in our keeping.

Over the past two years we have seen ups and downs in the stock market and the Trustees made very wise decisions and we are exceptionally pleased at the attention Scott Carr and Associates paid to our investments. At this writing we are doing well. Even with the uncertainty of the market, we were prepared and still had a payout of an additional \$300 to all who took part in our Build Your Dollar program. Thank you to the clubs who took part and to those we have already taken part for the next year's payout. This is a great program of the Foundation and I wish all clubs would take part.

As the convention draws near, the Foundation will once again change hands. I do so appreciate the trust each of you had in me over these last years. It has been a wonderful experience for me and was an opportunity to work with a series of fantastic Ruritan Trustees. I ask that you continue to support each Trustee as you have given your support to me. These are some of the most fantastic people I have ever known. Each has the Foundation as a priority and has dedicated more time than you can imagine making sure it is the best Foundation ever.

**Surry County** Club has been busy raising money to help the community. The most recent events were the club's Famous Fish Fry and a new event, the Boston Butt Sale. For the fish fry, members met in the morning to make coleslaw, then met again in the afternoon to make baked beans, batter the cod, and fry hushpuppies and French fries. The meals were then delivered to the public by a drive-through system. Many of the members pitched in all day to make it a success. The club also came up with a creative way to tackle what used to be their BBQ sale. This year, the club took orders for smoked Boston Butts, which ended up being very successful.

## James City Works on the “Chain Gang”

If you are ever at a Jamestown, Lafayette or Warhill high school football game in Virginia on a Friday night (or an occasional Saturday afternoon) don't be surprised to see members of the **James City Ruritan Club** working on the “Chain Gang”! There is a loyal group of volunteers working the sidelines to make sure the games move along smoothly and without interruption. These guys make up the Chain Crew (more fondly known as the “Chain Gang”) for the three local high school football teams.

They are coordinated by **James City Club** member and National Director Cleve Wright, who took over that role from Richard Swanenburg. Richard founded and managed the group for many years but had to give it up due to his late wife's declining health. Cleve did not want

to see the group dissolved and this community service effort end, so he agreed to take over and become the new coordinator. Richard still keeps tabs on the “Chain Gang” and occasionally provides his insight and advice. Cleve works closely with the athletic directors at each of the local high schools to coordinate and ensure that all home pre-season scrimmages, regular season, and playoff football games are covered. Cleve has a group of 12-15 volunteers including several past and present James City Ruritan club members. Cleve notes they are all extremely dedicated and take great pride in being as professional as possible with their responsibilities. “They share a common bond with their love for football and a passion for community service,” said Cleve. By providing this volunteer service to the local high schools, the “Chain Gang” saves the schools' athletic budgets a considerable expense at every game.

They have become a valuable support group for each school's athletic department and an integral part of gameday operations. Pictured (l-r) are “Chain Gang” members James Gilley, Rick Koehl, Cleve Wright, Paul Kerr, Steve Anderson, and Mike Abell (not pictured: Keith Williams, John Kuplinski, Bruce Burkett, Jason Prokup, J.T. ### Millboro Renovates Nature Trail

Ten years ago, **Millboro** Club members had the idea to make use of the wooded area around their facility and the local elementary school. A Nature Trail for the use of the public and the school was decided on. Over the years the trail has expanded to 3 miles of woodland. The club has constructed bridges, 2 outdoor classrooms, vernal pools and snags. Education is the number one benefit. Signs identify forty species of trees and shrubs. Large plaques contain a variety of information on the benefits of the 50-acre

woodlot such as: value of snags to cavity nesters, vernal pool to frogs, salamanders and fairy shrimp, and brush piles for cover for small mammals. Another section identifies invasive aliens and describes their negative effects. Exercise is an additional benefit. In these stressful times, the many benches on the trail give both students and locals a safe spot to unwind, contemplate and meditate on their

lives. Lastly, the numerous trail maps and color coding allow young students to learn spatial orientation and how to reach a desired destination. Club members regularly walk the trail to keep it clear of debris, dead leaves, and trash and to ensure the safety of the trail.

# Using the Ruritan MMS (Member Management System)

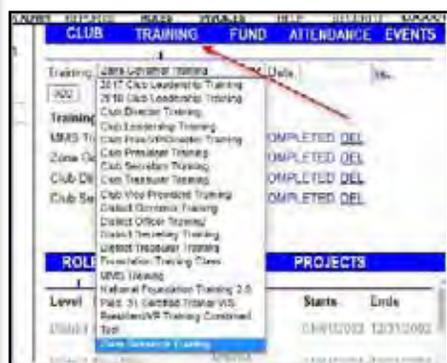

## Ruritan Has Many Avenues for Virtual Training

Ruritan has had an on-line training presence for many years with the computer-based modules on the MMS\* for various club and district offices.

However, during the COVID-19 pandemic a series of YouTube videos have been added that allow members to review topics from risk management to mentoring to filing the IRS 990 form. To access the self-paced computer modules on the MMS, make sure you are on your own information page (where your name, address, phone number etc. are listed on the left side of the page). Then choose “training” on the blue bar at the right.

A drop-down menu will provide a list of options for the courses. Once a course slides end, you can take a test on the material. A passing grade on the test automatically shows as a completed training. (If you don't get a passing grade the first time through – take the test again. No one will see your results until you pass the test.)

Also showing under the training tab on the MMS are any courses you have completed

on the system. Training completed can also be entered manually for any face-to-face training completed

## Register for Events on MMS

Registration for Ruritan events – from the National Convention to various leadership conferences and programs – can be accomplished using the MMS\* (Member Management System). Log on and go to your personal page. Under the blue events tab at the far right top you will find the events you can register for as well as a list of past events you have attended.

Right now the top option is the 2022 convention registration for Myrtle Beach, SC at the beautiful Embassy Suites by Hilton Myrtle Beach Oceanfront Resort.

including those at district and national conventions.

The Ruritan YouTube training videos are listed on the [ruritan.org](http://ruritan.org) website – see the screen shot showing the link on the drop-down member resources tab.
